

**1.4 feedback system****Action taken report of the Institution on feedback report 2021-2022**

Sl No	Feedback	Action Taken on Feedback
1	The college provides two books for every student is being regular practice. The students required more books for study.	The institute has started BC Book Bank Scheme from 2016-17 to take more and more books for students. The college has started a scheme, which group of 4-5 students has been formed and has distributed bundles of books (4-5 books of which material) in the same group.
2	The Competitive examination books are required in more quantity for the students.	The Institute has increased the Competitive Examination books for the students in the year 2020-21 as per students' needs for competitive examination
3	More employment is to be required for the students after completion of the graduation. To consider this point the skill-based education to be include as part of the syllabus	With the demand of students to include Competitive Examination Information in the syllabus,
4	Employable syllabus and technology to be added in to the Course work	Use of Technology in the syllabus to enhance the efficiency of the students and the use of technology in the subject concerned.
5	Female students need to express their mental and physical needs so WEC personally takes feedback from girls.	The institution has provided vending machine for the girl's student as required for the same. The governing body has taken more efforts on this issue and facility has been provided.
6	The facility of the wash room should be proper.	The facilities for Wash-room have developed in the year 2020-21 with the help of philanthropist.
