

ANNUAL REPORT

2022 – 2023

Dr. Shree Nanasaheb Dharmadhikari of Arts, Commerce and Science College has completed 13 years in the field of higher education. Starting with B.A, B Com., BSc. courses in 2009, today it offers B.A, B.Com and B.Sc. courses. The college has student's strength of 795, pursuing traditional and undergraduate courses under the guidance of qualified teachers, who are pillars of the institution. We have 3 Ph.D. teachers, 3 NET-SET qualified teachers working in various departments. In all, college has 17 fulltime teachers and 10 non-teaching staff. The trust & management of the college have been working on the base of firm ethical philosophies for the progress of the students. They are instrumental in imparting quality education to the students from financially deprived section of the society, by offering government and private scholarships. The output of these efforts can be seen in the following table in the form of academic performance of the students.

Performance of TY students in examinations held in the year 2021-22

Programme Name Pass Percentage	Programme Name Pass Percentage
T Y BA	95.85%
T Y B.Com	97.87%
T Y B.Sc	99.28%

The IQAC advise and supervise the department member to conduct Short term course, Bridge Course and Skill development courses for development of students. The college provides a strong, dynamic platform to the students to present their talents and to help them adapt various values required to be a good human being, through its curricular and co-curricular activities and training. Academic year 2020-21 coincided with the Covid-19 pandemic and the situation led us on our online journey where we got an opportunity to transfer college and all its accompaniments to a screen. During the dark months, the college tried its level best to keep in touch with the students and extending help in whatever way possible. Instructions regarding precautionary measures to be taken to maintain physical and psychological health were conveyed at regular intervals of time. Internal Quality Assurance Cell of the college conducted a series of mental conditioning lectures , on 'Acceptance', 'Gratefulness', 'Affirmation'. The cell also conducted a survey

cum awareness drive during the time through Google forms. Though students missed their physical presence and enjoyment in college premises, NSS, Cultural and various other committees of the college made the atmosphere lively and colourful through their online activities. NSS unit of the college worked intensely to conduct activities such as creation of Plasma Donation Program, Elocation on Savitribai Phule and Mahatma Phule Jayanti . Along with these usual activities, an awareness programme focusing on Mental Health Conference webinar was organized by the unit, in the light of lockdown period in September 2021 and Awareness of AIDS, Arogya Setu app and so on. October was occupied by talks and presentations on integrity, service and other related views of great leaders like and. During the lockdown period, NSS volunteers also took care of stray animals by feeding them and conducting a rescue operations. New year 2021 began with a highly coveted webinar on 'Webinar on organ Donation, 'Gandhi Jayanti' . A visit to village Chinchavli and Gove, Taluka Roha, District Raigad, was conducted, wherein volunteers distributed Covid safety kits and snacks amongst villagers.
